**All Financial Aid awards include volunteer expectations.** PSS relies upon volunteers to help make our program run smoothly. Any and all members of the applicant's family may participate in volunteer hours.

**Volunteer hours can be fulfilled in a number of ways. Please rank the following four categories in order of interest:**

\_\_\_ **Special Event Help:** distributing marketing materials, helping with publicity, soliciting business sponsors, helping create programs, ushering, taking tickets, helping with receptions, providing food, clean up, etc. All Benefit Concert volunteer tasks fall into this category. (The concert program creator needs to have Publisher-type software.)

\_\_\_ **Facilities Help:** cleaning up before/after group classes, helping set up chairs and stands, grounds maintenance, etc.

\_\_\_ **Instructor Help:** making photocopies, organizing teaching materials, organizing busking opportunities, providing sibling childcare for group classes, etc.

\_\_\_ **Pineland Suzuki School Administrative Help:** collecting contact info from local businesses, assisting with newsletter creation, writing grant requests, distributing flyers, publicity, marketing assistance, etc. Many of these tasks can be done from home! (The newsletter creator needs to have Publisher-type software.)

\_\_\_ **Volunteer Coordinator:** keeping track of volunteers and hours, finding volunteers for specific jobs, organizing volunteers for the benefit concert.

Do you have special skills that you are willing to share? Please let us know!

**Throughout the year, there will be several opportunities to sign up for tasks, or you may be contacted and asked to help with a specific task. Please approach each task with an open mind and assist when you are able! Hours will be kept track of in a Volunteer Log. When you have completed a task, please email the director to log your hours.**

**\*PLEASE NOTE: ALL enrolled families have a volunteer expectation for the Benefit Concert in addition to your work-study hours.**
